

Friends of Lac des Roches and Birch Lake

www.lacdesroches.org

The Friends of Lac des Roches and Birch Lake, a registered Society, was formed to maximize the wilderness qualities of the Lac des Roches/Birch Lake area. The group's initial concern was a resort-like development project on public land at the east end of Lac des Roches which threatened to devastate the wildlife habitat and sports fishery of the Lac des Roches and Nehalliston Lakes areas. Since the BC Government's decision in November 2007, to "set aside" the project, the Society is now focused on watershed stewardship and community activities. The protection of the unsurpassed beauty of the Lac des Roches area requires the caring of all British Columbians concerned with the long-term prosperity and environmental health of the province for the benefit of our children.

We invite all those with concerns for the preservation of the environment and who wish to support this stewardship and community group, to join the Friends of Lac des Roches and Birch Lake.

Friends of Lac des Roches and Birch Lake

General Delivery, Bridge Lake, B.C. V0K 1E0

I would like a **family membership** from September 1, 20__ to August 31, 20__ (\$10.00 Annual Fee)

Number of family members age 19 and older who can vote at meetings and for our membership count: _____

Names: _____

Names: _____

Names: _____

Phone (away): _____ Phone (lake): _____ Fax: _____

Lake Mailing Address: _____

Away Mailing Address (if applicable): _____

Email Address (if applicable – preferred distribution): _____

Lake Property Address: _____

Land Owner?

Lease Holder?

Friend of the Lake?

Make Cheques payable to: Friends of Lac des Roches and Birch Lake

Quarterly membership updates will be e-mailed/mailed in pdf format.

All current-year family members, 19 years of age and older, may vote on society issues.

Annual General Meeting (AGM) is held every October.

Yes, I can help the group ...
